# Diakonia

**Fall 2021**

**Website: [www.nspeilayministers.ca](http://www.nspeilayministers.ca)**

Because there was no pressing demand for any specific information, the Executive decided, partly in the interests of saving mailing costs, that we would distribute a one-page Diakonia.

The Fall 2021 Conference is taking place on **October 2, 2021 at 3 pm via Zoom**. The link for the Zoom meeting can be found below: Our speaker for this event will be Jonathan Pageau. The following information on Mr. Pageau was taken from his website.

“**Jonathan Pageau** is a professional artist, writer and public speaker. He delivers several lectures every year in universities, conferences and other venues around North America. He speaks on art, but mostly on the symbolic structures that underlie our experience of the world. Through his YouTube channel and podcast, [The Symbolic World](#), he also furthers the conversation on symbolism, meaning and patterns in everything from movies, to icons, to social trends. As an artist, Jonathan is one of the only professional icon carvers in North America, taking on institutional and personal art commissions from all over the world. You can view his works in his [carving website](#).”
